CREATIVE STUDENT VOICE

We are asking for digital submissions of creative student products. Submissions can be in Dance, Media Arts, Music, Theater, Visual art, or any other creative practice.

Submission Requirements and Criteria

- » All products must be original or adhere to copyright or license requirements for arts education.
- » Teachers may submit more than entry.
- » Submissions must include teacher's name, all participating student's names, school site, district, and county.
- » Submissions must be accompanied by a signed media release for all participating students
- » All works must be titled
- » All works must be accompanied by a brief description or artist statement
- » Highlight videos cannot exceed 2 minutes.
- » Teachers must provide a Google Drive link to a downloadable file/video of the performance or product Links only. No video or mov. files will be accepted.
- » Digital image files only in jpg, png, or pdf.
- » Digital Image files should be saved at highest resolution (300 dpi).
- » Items will not be returned and will be displayed in various formats (e.g., onscreen, print)

The following are suggestions, not requirements:

- » Consider selecting and sharing the most dynamic and engaging parts of the performance in an edited video format.
- » Consider preparing the "brief description of the work or artist statement" in a separate text document, prior to submission, and then cut and paste the statement into the submission form
